PANASONIC	47	CS-HC2108KB/bmJ	A75C2662
PANASONIC	47	CS-HC2108KGM/bmJ	A75C2662

Identify the make and model of your IR controlled cooling or heating system, then use the IR code number for configuration.
Note that more models are supported than are detailed in this document, so if you do not find your specific model please test all IR Codes used by your system's manufacturer.

Identify the make and model of your IR controlled cooling or heating system, then use the IR code number for configuration.

Note that more models are supported than are detailed in this document, so if you do not find your specific model please test all IR Codes used by your system's manufacturer.
